INDEX TO VOLUME 8

WESTERN ENGINEERING

January to December 1917

Page

A

Absorption method for extracting gasoline from natural gas .....George A. Burrell, P. M. Biddison, and C. G. Oberfell.... 439
Ditto .....Industrial Progress.... 195
Accidents, greatest number of..... 102
Accounting system on government contracts..... 319
Acid-resisting alloys 332
Acquisition of land for public utilities, cost of..... 69
Activated-sludge plant for sewage-disposal at Houston, Texas .....E. E. Sands.... 152
Process at Milwaukee, results of two years of the..... 357
Adamson act, declared constitutional.....Editorial.... 125
Adjudication of water-rights by California State Water Commission .....Review of the Month.... 330
Aerial propellers 20
Tramway, the Spanish Peak.....J. A. Kitts.... 49
Air-compressor, the hydraulic.....A. E. Chodzko.... 109
Alameda, California, adopts city-manager plan..... Editorial.... 43
Alaskan Railroad, the.....Review of the Month.... 288
Alcohol for slaking plaster-of-paris..... 153
From sawdust and its use in internal-combustion engines 187
Alkali soil, effect of, on cement tile and concrete blocks.. 131
American Highway Association, disbandment of..... Review of the Month.... 453
Anderson-Cottonwood irrigation district, engineers' estimates and the.....Editorial.... 44
Architects, a vicious bill for licensing.....Editorial.... 86
Licensing law, the proposed.....Editorial....126, 165
Army cantonments, construction of.....Editorial.... 245
Motor trucks 417
Asphalt pits at La Brea, gift of, the city of Los Angeles Review of the Month.... 3
Production of natural..... 456
Australia, co-operation among engineering societies in.... Review of the Month.... 453
Australian Transcontinental Railroad, completion of the Editorial.... 452
Automobile and railroad traffic, comparative..... 154
Cost of operating a light..... 312
In the management of a reclamation-service project, use of 295
In the United States in 1916..... 312
Stages in California..... 229
Aviation engines, recent developments in..... Allison F. H. Scott.... 223

B

Beckwith Pass tunnel on the Western Pacific Railway, cost of construction of.....H. Devereux.... 67
Belt drives, short-centre.....Industrial Progress.... 117
For finishing concrete roads, use of rubber..... 193
Bids on California State Highway work.....273, 425, 457
Bill for licensing architects, a vicious.....Editorial.... 86
Bituminous pavements, repair of..... 393
Blast, cost of a large quarry..... 20
Blow-holes in steel castings..... 72
Boiler, a long-lived water-tube....Industrial Progress.... 485
Scale in water-tube.....B. G. McKay.... 346
Bond election, provision requiring two-thirds vote at.... Editorial.... 327
Issues for highways in Santa Clara and Tulare counties Review of the Month.... 127
Sales by Californian counties 290
Bonds for California State Highway..... Review of the Month.... 3
High price for municipal and county..... Review of the Month.... 3
v. direct taxes for highway improvements..... Review of the Month.... 127
Book reviews:
Business Law for Engineers..... 485
Concrete, Plain and Reinforced..... 198
Elements of Hydraulics..... 77
Examples in Battery Engineering..... 485

Page

Book reviews: Field Geology..... 198
Handbook of Clearing and Grubbing Methods and Cost 321
Horizontal Cylindrical Tank Gauging..... 279
How to Make Low-Pressure Transformers..... 77
How to Study 321
Hydro-electric Power 78
Lubricating Engineers' Handbook..... 198
Mechanical World Pocket Diary and Year Book..... 198
Notes on Military Explosives..... 238
Operation and Maintenance of Irrigation Systems..... 404
Parallel Tables of Slopes and Rises..... 485
Passenger Terminals and Trains..... 37
Practical Oil Geology 78
Preliminary Mathematics 198
Proceedings of the Fourteenth Annual Convention of the American Road Builders' Association..... 485
Railway Estimates 278
Reinforced Concrete Design Tables..... 404
Report of the Committee on Petroleum of the California State Council of Defense..... 404
Timber Framing 239
Use of Water in Irrigation..... 238
Water-Power 37
Water Purification 239
Wharves and Piers 404
Brakes on motor vehicles..... 388
Braking efficiency on motor trucks..... 296
Breaking steel bars 66
Brick, cement and shale.....Industrial Progress John Meagher.... 404
Highways, government bulletin on..... 74
Bridge across Oakland estuary, bascule, to be erected.... Editorial.... 327
And tunnel projects across San Francisco bay, decision of Army engineers upon...Review of the Month.... 168
Design and the recent failure at Spokane....Discussion Charles Evan Fowler.... 90
Failure of the Coyote River..... 461
Failure, the San Jose.....Editorial.... 412
Over Columbia river between Portland and Vancouver, completion of .....Editorial.... 1
The transbay..Discussion....Charles Evan Fowler.... 169
Bridges, comparative costs of steel and concrete..... Review of the Month.... 128
Diagram for computing quantity of material for highway .....Engineers' Note Book.... 118
Broken concrete for concrete aggregate..... 237
Budget system in Californian counties..... Review of the Month.... 330
Building construction in San Francisco since 1906..... 249
Bulk cement, use of.....Review of the Month.... 288
Butte County Hall of Records referendum, the..... Editorial.... 370
By-pass and weir, the Sacramento.....Frank C. Miller.... 423

C

California-Hawaiian sugar-refinery buildings at Crockett, California, methods of re-construction of..... J. J. Rosenthal.... 209
Californian counties and municipalities, financial statistics of 376
Oil shortage, measures recommended for relieving the. 305
Petroleum situation, the .....Editorial.... 286
State Highway bonds, vote on..Review of the Month.... 3
State Highway system.....Review of the Month.... 3
State Highway system, cross-state laterals for..... 375
Camera, topographic surveys by the panoramic..... 402
Camp Fremont, methods of construction at..... 339
Canadian railway troops in France, work of..... 358
Canal from Milan to Venice, proposed..... 433
And railroads for freight transportation, comparative value of 383
On the Orland, California irrigation project, concrete-lined 290
Tunnels 460
Cantonments, construction of army.....Editorial.... 245

Page

Canvas tube, irrigation by means of.....E. B. House.... 190
Capacity of freight-cars expressed in barrels of cement... 269
Of oil-well tubing and casing, table showing.....
Engineers' Note Book.... 278
Car shortage, reduction of.....Editorial.... 369
Shortage situation, the.....Review of the Month.... 287
Situation, improvement in the freight....Editorial.... 327
Case-hardening, best method for..... 142
Casing-head gasoline 395
Castings, repair of defects in..... 462
Cast-iron, strength of 108
Catskill aqueduct, completion of.....Editorial.... 411
Causes of cracks in concrete pavements.....
A. T. Goldbeck.... 59
Cement and shale brick.....Industrial Progress
John Meagher.... 404
As a by-product of beet-sugar manufacture..... 460
Effect of sulphide compounds on.....J. C. Witt.... 440
For metal 438
Joints for cast-iron water-mains..... 252
Needed for oil-wells, tables for computing.....
Engineers' Note Book.... 237
Pipe, permitted for sewers in Los Angeles.....
Review of the Month.... 248
Plant, the municipal, of the city of Los Angeles.....
Editorial.... 43
Ditto, Discussion..F. C. Finkle and Burt A. Heinly.... 47
Ditto, Discussion.....F. C. Finkle.... 171
Testing by U. S. Bureau of Standards....Editorial.... 285
Tile and concrete blocks, effect of alkaline soil on..... 131
Centralized control of county highways, opposed by Californian supervisors.....Review of the Month.... 88
Control of highways in Kern county.....Editorial.... 43
Control of highways, proposed before California legislature.....Review of the Month.... 45
Central-power and jack-pumping plants for operation of oil-wells.....Roy M. Barnes....177, 223
Charging a concrete mixer direct from Koppel cars.....
I. L. Piper.... 353
Charts for the use of road-oil inspectors.....
E. Earl Glass.... 350
Chemical exposition, the.....M. W. von Bernewitz.... 456
Chemistry 435
Chloride of lime for disinfecting swimming-pools..... 30
Christmas cards and gifts.....Editorial.... 451
Cinders, volcanic, use of, for concrete aggregate..... 194
Circumferential reinforcement on concrete highways..... 237
Cities, finances of American..... 315
City-managers, municipalities with 438
Plan at Alameda, California.....Editorial.... 43
Plan, successful at San Rafael, California.Editorial.... 285
Plan, the.....Thomas H. Reed.... 151
City of Los Angeles *v.* Silver Lake Power & Irrigation Co., case of.....Review of the Month.... 371
Civil-service examinations, delay in announcement of....
Editorial.... 369
Ditto, Discussion.....Kenneth A. Heron.... 373
Laws and regulations 389
Coal, effect of storage upon the properties of..... 470
Coatings for galvanized flumes, preservative..... 175
Cobalt, uses of..... 249
Colorado river, silt in..... 229
Combined culvert, sidewalk, and curb, a..... 193
Common carrier, Producers' Transportation Co. pipe-line declared a.....Review of the Month.... 453
Compensation of engineers, report of committee of American Society of Civil Engineers on.....
Review of the Month.... 46
Competitive bids for furnishing engineering services....
Editorial.... 286
Ditto, Discussion.....E. L. Cope and H. D. Dewell.... 289
Compressed-air hose, drop in pressure in.....
Walter S. Weeks.... 434
Process of increasing production of oil-wells, the Marietta 172
Pumping water by.....Industrial Progress.... 36
Compression and transmission of air, notes on.....
Robert S. Lewis.... 258
Concrete aggregate from broken concrete..... 237
Aggregate from slag..... 211
And concrete roads, expansion and contraction of..... 473
And reinforced concrete buildings, methods of wrecking 401
And timber flume for Cove power project, methods of construction of 360
Blocks and cement tile, effect of alkali soil on..... 131

Page

Concrete, factors affecting the strength of.....
L. N. Edwards.... 386
Floating dock, reinforced, in Denmark..... 424
For preventing vibration in cotton mills, use of..... 470
For repairing cast-iron pulley..... 185
Highway construction in Contra Costa county..... 415
Highway, unusual construction at Sacramento.....
Editorial.... 451
Highways, circumferential reinforcement on..... 237
Highways in Milwaukee county, Wisconsin, maintenance of 315
Highways, safer than dark-surfaced at night..... 142
Lined canals on the Orland, California, project..... 290
Mixer, charging a, direct from Koppel cars.I. L. Piper 353
Pavements, expansion joints in..... 321
Posts, use of, in hop-fields..... 187
Road construction 176
Road tests 102
Ship built in Norway..... 428
Ships 337
Slabs, tests of, to determine the effect of removing excess water used in mixing.....A. N. Johnson.... 342
Specimens in sea-water, tests of..... 56
Streets, finishing with rollers..... 227
Surfaces, repairing 269
Concretes, economical proportions for cement-mortars and
J. A. Kitts.... 429
Concreting the Sacramento shaft at Bisbee.....G. S.... 21
Construction at Camp Fremont, methods of..... 339
Of highway for heavy teaming service.....
Industrial Progress.... 443
Continuous beams, elastic-weight theory graphically applied to.....Cyril Provo Hubert 114
Contra Costa county, highways in.....Editorial.... 411
Contract, the 'cost-plus,' in the present emergency.....
Editorial.... 328
Contracting company in bankruptcy because of low bids..
Editorial.... 285
Hazardous character of municipal.....
Review of the Month.... 3
Contracts in building construction, segregated—Discussion
E. T. Thurston, Jr.... 331
Control for crane-hoists.....Industrial Progress.... 279
Of pavement-openings.....E. P. Goodrich.... 222
Of vegetation in irrigation canals..... 191
Convict labor in San Bernardino county..... 376
Co-operation among engineering societies in Australia....
Review of the Month.... 453
Copper, annealing of 462
Corrosion of commercially pure iron and alloys, comparative resistance to.....Industrial Progress.... 118
Of iron and steel, Discussion.....B. G. Marshall.... 171
Cost of acquisition of land for public utilities..... 69
Clearing Hetch-Hetchy reservoir-site..... 268
Construction and operation of Diesel-engine plants.... 236
Construction of a narrow-gauge railroad in Stanislaus county, California 272
Construction of Beckwith Pass tunnel on Western Pacific Railway .....H. Devereux.... 67
Construction of tunnels on Los Angeles aqueduct..... 296
Dredging at Panama 385
Government in California....Review of the Month.... 208
Hauling in Mono county 360
Highway construction in Oregon..... 143
Highway construction near Globe..... 467
Highway maintenance in San Joaquin county, California 188
Large quarry-blast 20
Maintenance of concrete wharves..... 268
Maintenance of small automobiles..... 268
Making welds by oxy-acetylene and electric methods.. 312
Municipal government in California per capita..... 158
Operating a light automobile 312
Oxy-acetylene cutting and welding..... 154
Railroad material, increased..Review of the Month.... 207
Reinforced concrete buildings 272
Removing asphalt pavement with hammer-drills..... 354
Steel and concrete bridges, comparative.....
Review of the Month.... 128
Street-cleaning in Philadelphia 402
Street-improvement at Walla Walla..W. R. Rehorn.... 312
Street-sprinkling at Los Angeles..... 395
'Cost-plus' contract in the present emergency, the.....
Editorial.... 328
Cotton for explosives 219
Counties and municipalities, financial statistics of Californian 377

Counties, fire-fighting by.....Review of the Month.... 329
County engineer control of highways, opposition to, by supervisors.....Review of the Month.... 88
Government, an involved system of..... 337
Manager system, proposed in San Diego county charter.....Review of the Month.... 45
Purchasing agent, court decision sustaining powers of Review of the Month.... 208
Cracks in cement-concrete pavements, the causes of..... A. T. Goldbeck.... 59
In water-jackets, repairing 424
Crane-hoists, control for.....Industrial Progress.... 279
Crank-shafts of Diesel engines, failures of..... 456
Creosoted wood-block pavements 217
Wood-blocks for paving floors subject to heavy trucking 6
Cross-state laterals for California State Highway system.. 375

D

Dam, contract for reconstruction of Lower Otay..... Review of the Month.... 414
Failure of the Mammoth..... G. F. McGonagle, Donald B. Pratt, and J. C. Wheelon 333
The Sevier Bridge.....Clarence S. Jarvis.... 215
Damascus steel 113
Day-labor for construction of county highways..... Review of the Month.... 414
Decimal system 116
Deep wells, drilling 311
Delay in announcement of civil-service examination..... Editorial.... 369
Denver & Rio Grande Railway and Western Pacific Railway affairs.....Review of the Month.... 208
Depreciation tables.....Engineers' Note Book.... 78
Design and operation of motor trucks..... 31
Of motor trucks for military purposes..... H. D. Church.... 347
Diagram for computing quantity of materials for highway bridges.....Engineers' Note Book.... 118
For estimating earthwork in canals, Engineers' Note Book....Charles K. Fox and Charles M. Stokes.... 196
Diesel engine plants, cost of construction and operation of 236
Failures in the crank-shafts of..... 456
Dilution of labor in Great Britain..... Review of the Month.... 287
Disinfecting swimming-pools with chloride of lime..... 30
Distribution of pressure through earth-fills..... A. T. Goldbeck.... 380
Of supplies and the War.....Review of the Month.... 167
Dock, the first reinforced concrete floating..... 442
Dollar oil .....Editorial.... 245
Drainage of irrigated land in the San Joaquin valley..... 75
Of irrigated lands.....Review of the Month.... 45
Drawings, method of filing.....Albert G. Wolf.... 398
Dredging at Panama, cost of..... 385
Drill sharpener, a new type of....Industrial Progress.... 77
Sharpener for small-size steel..Industrial Progress.... 195
Drilling deep wells 311
Drop in pressure in compressed-air hose..... Walter S. Weeks.... 434
Dry-rot, failure in derrick-boom caused by..... Henry Blood.... 186
Duty of water for alfalfa irrigation in the Sacramento valley 360

E

Earth fills, distribution of pressure through..... A. T. Goldbeck.... 380
Earthwork in excavations, charts for computing..... Engineers' Note Book.... 238
Tank.....H. N. Herrick.... 218
Echo Lake dam, failure of the.....Editorial.... 245
Ditto, Discussion.....Edwin Duryea.... 249
Economic and other benefits resulting from highway improvement 29
Economical proportions for portland-cement mortars and concretes.....J. A. Kitts.... 429
Effect upon output of hours of labor and conditions of employment in factories 212
Eight-hour day, adopted in Californian oil-fields..... Editorial.... 451
Elastic-weight theory graphically applied to continuous beams.....Cyril Provo Hubert.... 114
Electric circuits, connecting to water-pipes..... 108
Current, use, of, for running a concrete-mixer..... 351
Discharges for stimulating the growth of crops..... 175
Fan, new kind of 417

Electric motors on oil-wells in California..... 311
Electrification of Swiss Federal railways..... 353
Electrolysis in underground water-pipes....J. W. Ivy.... 475
Elements of the circle, equations for the...J. A. Kitts.... 107
Embargo, freight-car, on road-materials..... Review of the Month.... 454
Employment agency for technical men, Federal..... Editorial.... 411
End of a regrettable contest, the.....Editorial.... 165
Engineers and the War.....Review of the Month.... 247
Enlisted reserve corps in the United States Army, the. 183
Estimates and the Anderson-Cottonwood irrigation district .....Editorial.... 44
Students and the War.....Editorial.... 246
Units in the Army, additional, authorized..... Editorial.... 286
Engineering profession, qualifications for success in the.. W. A. Cattell.... 155
Services, competitive bids for furnishing..... Editorial.... 286
Ditto, Discussion.....E. L. Cope and H. D. Dewell.... 289
Societies, co-operation among, in Australia..... Review of the Month.... 453
Entrance-channel depths for the principal ports of the world, table of..... 277
Equations for the elements of the circle....J. A. Kitts.... 107
Estimates by U. S. Geological Survey, accuracy of..... 156
Estimating, affected by increased prices.....Editorial.... 125
Evaporation from water-surfaces and river-bed materials. R. B. Sleight.... 465
Examination, delay in announcement of civil-service..... Editorial 369
Ditto, Discussion .....Kenneth A. Heron.... 373
Excess water, used in mixing, tests of concrete slabs to determine effect of removing....A. N. Johnson.... 342
Excluding water from oil-wells, the tamping process of, Discussion.....W. J. Travers.... 169
Exclusion of water from oil-formations, Discussion..... H. W. Bell.... 89
Expansion and contraction of concrete and concrete roads. 473
Joints in concrete pavements..... 321
Extinguishing burning gasoline and other liquids..... George A. Burrell.... 356

F

Factors affecting the strength of concrete..... L. N. Edwards.... 386
Failure in derrick-boom caused by dry-rot..... Henry Blood.... 186
Of the Echo Lake dam.....Editorial.... 246
Ditto, Discussion.....Edwin Duryea.... 249
Of the Mammoth dam..... G. F. McGonagle, Donald B. Pratt, and J. C. Wheelon 333
Farm-loan banks, Federal, to be established at Spokane and Berkeley .....Editorial.... 1
Loans, Federal, amount of .....Editorial.... 451
Feather River Canyon route for State highway..... Editorial.... 285
Federal aid for highways, not conditional upon type of construction.....Review of the Month.... 128
Aid for military highways...Review of the Month.... 208
Employment agency for technical men....Editorial.... 411
Filing drawings, method of.....Albert G. Wolf.... 398
Filtration systems in North American cities..... 395
Finances of American cities 315
Financial statistics of Californian counties and municipalities 376
Finishing concrete streets with rollers..... 227
Fires and fire-protection in country districts..... Review of the Month.... 248
Fighting by counties.....Review of the Month.... 329
Fire-proof building district, abandonment of, in Portland, Oregon.....Review of the Month.. 372
Protection, need of, by counties..... Review of the Month.... 288
Waste by preventable.....Review of the Month.... 329
Fixation of nitrogen 361
Flag-poles, stresses in 56
Flood-waters, spreading, in the debris-cone of the Santa Ana river 442
Flow conditions in flumes.....John S. Longwell.... 382
In wood-stave pipe, formula for, Discussion..... Ross L. Mahon.... 129
In wood-stave pipe, nomographic chart for computing, Engineers' Note Book.....Carl Maughmer.... 196
Of water in metal flumes..... 68
Of water in wood-stave pipe..... 18

Hall of Records referendum, the Butte County..... Editorial.... 370
Harbor-depths at principal ports of the world, table of.... 277
Heat losses through building and building-materials..... R. S. Hawley.... 344
Treated gearing.....H. W. Phillips.... 483
Heater and sprayer for highway work..... Industrial Progress....159, 239
High-speed steel, way to distinguish..... 191
Highway accounting, methods of..... 48
Construction in California...Review of the Month.... 88
Construction in Contra Costa county, concrete..... 415
Construction in Oregon, costs of..... 143
Construction near Globe, cost of..... 467
Construction on Pacific Coast..... Review of the Month.... 207
Construction, why the railroads should foster—Discussion .....Fred H. Chesnut.... 373
For heavy teaming service, construction of..... Industrial Progress.... 443
From San Francisco to Watsonville, proposed 'skyline'. 251
Improvement, economic and other benefits resulting from 29
Improvement reduces operating cost of automobiles... 290
Maintenance in San Joaquin county, California, costs of 188
System for Tulare county, California..... 130
Traffic analysis and traffic-census procedure..... William H. Connell.... 96
Work, recent bids on California State.....273, 425
Highways, centralized control of, in Kern county..... Editorial.... 43
Centralized control of, proposed before California legislature.....Review of the Month.... 45
Federal aid for military.....Review of the Month.... 208
In Contra Costa county.....Editorial.... 411
Pacific Coast, and the military situation..Editorial.... 165
Traffic capacity of 468
Hoisting-chains, prevention of wear on..... 473
Hoover pledge, the.....Review of the Month.... 329
Horse Heaven irrigation project, the..... 72
Hose, drop in pressure in compressed air..... Walter S. Weeks.... 434
Hours of labor and conditions of employment in factories, effect upon output of..... 212
Of labor and maximum output.....Editorial.... 206
Hydrated lime for promoting the flow of concrete in pipes and forms .....Industrial Progress.... 444
Hydraulic air-compressor, the.....A. E. Chodzko.... 109
Lime for shutting off water in oil-wells..... 455
Hydro-electric plants in California..... 175

I

Ice conditions in power-plant operation, combatting..... 374
Properties of 468
Illuminating power of kerosenes..... 483
Importance of inspection of paving materials..... Carl F. Adam.... 293
Increase of oil-production resulting from shutting off water in old wells..... 35
Industrial buildings, types of construction in..... 341
Inspection of paving materials, importance of..... Carl F. Adam.... 293
Integral curb 356
Involved system of county government, an..... 337
Iron and steel, corrosion of, Discussion.B. G. Marshall.... 171
And steel on the Pacific Coast, outlook for..... Ernest A. Hersam.... 299
And steel prices fixed by War Industries Board..... Review of the Month.... 371
Irrigation by means of a canvas tube.....E. B. House.... 190
District, engineers' estimates and the Anderson-Cottonwood .....Editorial.... 44
Project in Hawaii 441
Project on Kings river, California, proposed..... 57
Project, operation and management of an..... 474
Project, the Horse Heaven..... 72
Project, the Madera 384
System, the Goose Lake Valley..Kenneth A. Heron.... 7

J

Jack-pumping and central-power plants for the operation of oil-wells.....Roy M. Barnes....177, 223
Jitney competition causes loss of revenue to California railroad companies.....Review of the Month.... 3
Junior members of the American Society of Civil Engineers, decrease of.....Review of the Month.... 87

K

Kerosenes, illuminating power of 483
